## Training

Mosaic's award-winning training is built by attorneys to protect dealers.

- Role-specific compliance training
- 60+ unique video-based online courses
- 8x winner of the Dealer's Choice Award for compliance training (2015-2023)

## Certifications

Compliance certifications to help you and your clients document your expertise.

- Job-specific certifications made specifically for the dealership environment
- Crafted by industry attorneys to provide only the best content and guidance
- Engaging, online, self-paced curriculum and recertifications to keep you ahead

## Safeguards

Everything a dealership needs to comply with the Safeguards Rule.

- A la Carte: Get the Safeguards you need, and none that you don't
- Defensible: Ongoing protection that reduces your risk of a data breach
- Guided: Every Safeguards customer receives a dedicated compliance advisor to ensure success

## Policies

Policies are the foundation of any effective compliance program.

- Compliant: All Mosaic policies have been crafted by experienced attorneys
- Customizable: We will help tailor your policy documents to ensure their accuracy and efficacy
- Convenient: Digitally deploy your policies via our learning platform

## Audits

Take the work of auditing deals off your plate and get personalized guidance that drives results.

Our deal audits are specifically designed for the dealer's benefit and discreetly conducted by compliance experts with decades of industry experience.

## Agency Compliance

Compliance solutions for agencies looking to protect themselves, and their dealers.

### Professional Services

Mosaic's team can help with everything from compliance consultations to ad reviews.

### Partner Programs

Mosaic is proud to serve as a strategic partner to the industry's top F&I providers.
